Office of Legislative Counsel

Thursday - 8 December 1955

-----

1. Attended a meeting with Messrs. Young and Wade, of the staff of the House Committee on Government Operations in which   25X1 Chief, Budget Division, set forth the reasons why it had been determined that CIA would be unable to provide personnel data which could be included in the United States Government inventory to be issued by that Committee. Mr. Young agreed to set up a meeting with Chairman Dawson of the Committee as soon as he returned to Washington so that CIA representatives could discuss this matter personally with the Chairman.
